

CONFIDENTIAL BUSINESS INFORMATION

**Agreement on Workers Health Protection through the Good Handling and Use of Crystalline Silica and Products Containing it
2007 Preliminary Signatories' Reporting Format**

This document was developed in compliance with art. 8.2 of the above-mentioned Agreement, which states that the NEPSI Council shall issue a summary report summarizing the status of implementation and preparations within each party for the first reporting to take place in June 2008. In order to abide to this timetable, the 2007 preliminary report should be **returned to the NEPSI Secretariat by 20 April 2007 at the latest.**
